- Lenore gave a Service Report regarding Christmas gifts for the Child Study Treatment Center Kids. This is not affiliated with Western State. The kids range from 7 to 18 years old. We budget \$30 per child but this year there are 59 kids and will need to increase the budget. Gifts will be given by December 18th.
- David reported on the Saltar's Point Park Committee. A planning meeting with Tanner is planned next month. Key points are to figure out what we want to do with the park and what the town will approve. The Town will maintain the park.
- Nancy reported that the swing was being put up on Thursday Oct. 16th.

Other business:

- David mentioned the increased costs for Fireworks, and especially since this is the 250th celebration, if maybe we can raise funds for it at Winefest with Raise the Paddle.
- An annual audit or review of the Foundation is required. Need to get Account Statements monthly and not just balances.

Key Club:

- Nancy reported that the Clover Park Key Club is up and running again. Nancy asked if we should help support the regional schools with District Convention costs. Our club is so large compared to the others and we only support one school compared to some districts that have multiple High Schools.
